Dayton Award Program Honors the Achievement

DAYTON February 4, 2023 -- Dr. Kathy Platoni has been selected for the 2023 Best of Dayton Award in the Psychologists category by the Dayton Award Program.

Each year, the Dayton Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Dayton area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2023 Dayton Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Dayton Award Program and data provided by third parties.
